

Dear Producer,

Thank you for downloading this taster pack.

The audio files in this taster pack are for **demonstration only**. If you wish to release a track that includes any of these audio files then you will need to purchase the full version of the product.

You can purchase the **full version** at this URL:

<https://polaritystudio.gr/product/melodic-techno-loops-prophet-presets/>

Have fun with the demo pack

please visit our website if you have any questions
